About Us

At Velvet Rose Designs, we believe that your wedding day should be nothing short of magical. We specialise in crafting exquisite, handmade paper flowers that add a touch of enchantment to your special day. With a passion for creativity and a commitment to quality, we create stunning paper flower bouquets, centrepieces, and backdrop displays that capture the essence of your love story. Our founder, Cat, brings years of expertise in the art of paper flower design, ensuring that every petal is meticulously crafted with love and care. We take pride in offering a unique and eco-friendly alternative to traditional wedding flowers, giving you a timeless keepsake that will last long after your celebration.

With a keen eye for detail and a dedication to personalised service, Velvet Rose Designs is here to make your wedding dreams come to life. Let us help you create an unforgettable, one-of-a-kind ambiance for your wedding with our handcrafted paper flowers.

Experience the magic of Velvet Rose Designs and let your love bloom in paper petals. Your wedding, your way!"
